CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT

1. Corporate Governance Compliance Statement

Within the context of Capital Markets Board's (CMB) Decision numbered 2/35 dated 27 January 2014 and CMB's Corporate Governance Communiqué II-17.1, the base format for companies obliged to prepare Corporate Governance Principles Compliance Report has been re-determined, and our Company has prepared Corporate Governance Principles Compliance Report for 2016 in accordance with the said format.

In this context, our Company has complied with mandatory principles of CMB Corporate Governance Principles and put its maximum efforts to comply with non-compulsory principles, and compliance efforts are on-going. Below are the major Corporate Governance Principles that are not mandatory under the relevant regulation, and with which full compliance has not been achieved yet. The principles that have not been implemented yet have not created any conflict of interests between the stakeholders.

- As regards principle no. 1.3.10, a cap was determined for donations and contributions at the General Assembly Meeting, and the shareholders were informed on donations and contributions of the previous year with a separate item on the agenda. However, no separate policy has been drafted related to donations and contributions, and it is planned to draft such a policy in the coming period in accordance with the needs of our Company, and to submit such policy at the General Assembly Meeting.
- As regards principle no. 1.5.2., minority rights have not been defined in Articles of Association to those holding less than one in twentieth of the capital, and the rights that are granted comply with the general practice stipulated in the Turkish Commercial Code.
- As regards principle no. 4.2.8., the Company is insured against any damage that could be incurred as a result of fault of the members of board of directors when performing their duties, and the insurance amount is less than 25% of the capital of the Company.
- As regards principle no. 4.3.9., there is only one female member among 9 members of the board of directors of our Company, and our Company has not yet determined a target rate, provided that it is not less than 25% and a target time for membership of women in the board of directors and form a policy for this target.
- As regards principle no. 4.4.5, Articles of Association of the Company describes how meetings of the Board of Directors are held, and there is no other internal regulations issued solely for this purpose.
- As regards principle no. 4.4.7, members of Board of Directors are not restricted from assuming other duties outside the Company since their experience in the industry contributes significantly to our Company.
- As regards principle no. 4.5.5., some of the members of board of directors are assigned to more than one committee based on their expertise and experience.
- As regards principle no. 4.6.5., remunerations provided to Members of the board of directors and executives with administrative responsibilities are disclosed to the public in annual reports. Payments that are made are disclosed to the public collectively in parallel to the general practice.

2.2 Exercise of the Shareholders' Rights to be Informed

Taking into account that each shareholder is entitled to investigate and receive information; when any shareholder requested information other than the information we have presented and disclosed during the year, the Investor Relations Department assessed whether the requested information constituted trade secrets or not and whether its disclosure would comply with the CMB legislation, and responded in writing and verbally. Additionally, our shareholders who attended the last General Assembly Meeting were informed about financial and administrative issues.

Any development, which may affect exercise of shareholder rights, is announced with material event disclosures, right exercise statements and quarterly reports disclosed on the Public Disclosure Platform. All disclosures that have to be made to shareholders according to the applicable CMB legislation were also made available to the investors on the corporate website www.karsan.com.tr.

Although there are no special provisions in the Articles of Association of the Company regarding the right to demand a special audit, in accordance with Article 438 et seq. of the Turkish Commercial Code, this right is available to shareholders, notwithstanding whether it exists within the Articles of Association or not. Our Company is managed in accordance with the rules of transparency, and all potential requests from shareholders are evaluated with utmost care. The shareholders did not demand appointment of a special auditor throughout the year.

Company operations are periodically audited by the Independent External Auditor (DRT Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik A.Ş.) elected by the General Assembly Meeting for 1 year upon the proposal of the Audit Committee and the decision of the Board of Directors in accordance with the Turkish Commercial Code and the CMB legislation.

2.3 General Assembly Meetings

During the period, the Ordinary General Assembly Meeting for 2015 operations was held on July 14, 2016 at the Company headquarters. The meeting quorum was reached at the Ordinary General Assembly Meeting with representation of 66% of the shares.

Announcement of the meeting;

- Following our Board of Directors' meeting where the date of the General Assembly Meeting was decided, a material event disclosure was made on the Public Disclosure Platform (PDP) to notify of the date, venue, time and agenda of the meeting in due period; at least 3 weeks before the General Assembly Meeting. Announcements inviting shareholders to the meeting (agenda, copy of proxy statement) were published on the Public Disclosure Platform, Turkish Trade Registry Gazette, a

4.4. Ethical Rules and Social Responsibility

Karsan Otomotiv Sanayi ve Ticaret A.Ş. Ethical Rules was submitted to the shareholders in the 2011 Ordinary General Assembly Meeting held in June 2012 under Agenda Item No. 17, and it is also available on the corporate website.

In January 2004, Karsan Otomotiv Sanayii ve Ticaret A.S. obtained an ISO 14001 Environmental Management System Certificate for the first time, and its ISO 14001 certificate was extended until 2017 year-end with zero defects identified in the inspection conducted in 2016, which ensured sustainability of the certificate. It is planned to move to ISO 14001:2015 within 2017. Karsan established an Environmental Management System in order to control and minimize the environmental effects, and to continuously improve environmental performance through compliance with all environmental laws and regulations in order to protect the environment and ensure its permanence. With its Environmental Management System efforts, KARSAN aims to reduce the use of energy and natural resources, and to minimize the amount of waste by supporting recovery operations. After physical and chemical treatment, the wastewater is sent to the BOSB and HOSAB Centralized Sewage Treatment Plant, to be reduced and kept at a level below the receiver's discharge standards, and the output water analysis and controls are made regularly by the competent authorities. The waste management system ensures that the wastes requiring recycling, recovery and disposal resulting from production and other activities are collected separately, and some of them are contributed to the national economy, and those requiring disposal are treated in accordance with the regulations and without causing environmental pollution. Our waste management system, with zero landfill waste, is continuously improved by setting new objectives and targets, consistent with Karsan Otomotiv A.Ş Environmental Policy, to reduce the use of energy and its new environmental impacts. Karsan aspires to enhance the environmental consciousness of the neighboring community around its head office, the supplier industries and all employees, and organizes trainings and meetings for raising awareness, with an emphasis on continuous training. In line with its Environmental Policy, Karsan is committed to protecting and sustaining the environment by complying with all environmental laws and regulations, keeping environmental impact under control, reducing adverse effects, continuously improving environmental performance, increasing environmental awareness and, by reaching "Operational Excellence" in all production operations, leaving a clean environment behind for future generations.

No lawsuit has been filed against Karsan due to environmental damages. Karsan Otomotiv successfully passed the integrated environmental audits conducted by the Provincial Directorate of Environment and Urbanization in 2016 and received Environmental Permits for both of its plants and established its Environmental Management Unit. Within the scope of "Environment Friendly Industrial Plant Competition" carried out by BOSİAD (The Industrialists and Businessmen Association of Bursa) in 2016, Karsan Otomotiv San. ve Tic. A.Ş was selected among 52 companies and was honored with the most environmentalist plant award with seven clear practice examples implemented in the facility.

During this period, the Committee on Early Detection of Risks worked in accordance with the CMB legislation and its Duties and Working Principles, and issued 6 reports.

Since our Company is in the Third Group pursuant to the list published by the Capital Markets Board within the context of the Corporate Governance Communiqué, it is sufficient to have 2 Independent Members in the Board of Directors. Therefore, our Company has 2 Independent Members in the Board of Directors. Since the head of each committee must be an independent board member, Mr. Nadir Özşahin is the head the Audit Committee and, the Committee on Early Detection of Risks, whereas Mehmet Altan Sungar is the head of the Corporate Governance Committee.

5.4. Risk Management and Internal Control Mechanism

The Corporate Risk Management Department, established in 2014, was restructured as the Corporate Risk Management and Internal Auditing Department as of 1 October 2015. Risks that are identified as a result of activities carried out by the Corporate Risk Management and Internal Auditing Department in accordance with a plan approved by the Committee on Early Detection of Risks, are evaluated taking the corporate risk taking profile into account, and organization of an effective internal control system structuring is aimed with action plans that are created as a result of risk oriented Internal Auditing activities.

5.5. Strategic Objectives of the Company

MISSION: Identifying transportation needs, and designing, producing and offering necessary systems, products, and services to meet these needs.

VISION: Limitless Transportation Solutions

The General Manager / CEO announces the corporate mission and vision to the public via various media channels and the corporate website.

Strategic objectives identified by the General Manager / CEO in consultation with the management team in line with the vision and the mission, are announced to the employees. Every year, the chairman of the board of directors gives an overview of the operations and performance of the Company in the previous year in the annual report.

5.6. Financial Rights

The Remuneration Policy for Members of the Board of Directors and Executives with Administrative Responsibilities was submitted to the attention of the Ordinary General Assembly Meeting dated 27th June 2014 as a separate agenda item and shareholders were given an opportunity to comment on the policy, and the remuneration policy was also published on the corporate website. The total amount of rights, benefits and fees provided to the members of the Board of Directors and Executives in 2016 was TRY
